WARRANTY

Hobbs Engineering Company warrants that each machine manufactured by it and sold under the HOBBS trademark shall be free from defects in material and workmanship. The Company's sole obligation under this warranty shall be limited to making good, F. O. B. Company factory, any part of its product which under normal and proper use and maintenance proves defective in material and workmanship within six months after delivery to the Buyer provided that notice of such defect and satisfactory proof thereof is promptly given by the Buyer through his Dealer to the Company, and thereafter such part is returned to the Company, with transportation charges prepaid, and Company's examination proves such part to have been defective.

This warranty does not apply in respect to damage to any product or accessory or attachment thereof caused by overloading or other misuse, neglect or accident nor does this warranty apply to any product, or accessory or attachment thereof which shall have been repaired or altered by other than the Company or its authorized dealer in any way, which, in the sole judgment of the Company affects the performance, stability or purpose for which it was manufactured.

With respect to tires, engines, or other trade accessories, the Company makes no warranty whatsover and the buyer shall rely solely upon the existing warranties, if any, of the respective manufacturers thereof.

IMPROVEMENTS

Hobbs Engineering Company is constantly striving to improve its machines. Changes in design and improvement will be made whenever the manufacturer believes the efficiency of the machines will be improved thereby, but without incurring any obligation to incorporate such improvements in any machines which have been shipped or are in service.
